

Using BigBook 1 for Teachers, Co-ops, & Classrooms

Option #1 Teacher Online Access Only; Rights to make Student Copies

Teacher: Purchases a version of the BigBook 1 (Online PDF-\$55, CD set-\$79, or Hardcopy + CD- \$125) with unlimited lifetime rights. Any of these versions allow the teacher to access the online lessons, audio files, and vocabulary games.

Students: \$10 per student fee allows the teacher to make copies of the BigBook for classwork and homework for one year. Students do not have access to the online resources.

Option #2 Teacher Online Access; Student 1 year Online Access

Teacher: Purchases a version of the BigBook 1 (Online PDF-\$55, CD set-\$79, or Hardcopy + CD- \$125) with unlimited lifetime rights. Any of these versions allow the teacher to access the online lessons, audio files, and vocabulary games.

Student: \$25 per student fee allows access to the general, public BigBook 1 classroom online for one year. Students may download lessons, listen to the audio files, and play the vocab games for a year. This is great at-home reinforcement for lessons taught in class. After the year is over, student accounts are closed and they no longer have online access.*

The \$25 student fee also allows the teacher to make copies for students.

Option #3 Private Classroom

This option, used in conjunction with Option #2 above, allows teachers or co-op leaders to have a private classroom on the www.livelylatin.com website. All BigBook course content and online resources will be available in the private classroom.

In addition, the teacher has the capability to upload additional resources, activities, or links to other websites, create online tests and quizzes for students and even track grades, if desired. Students can work on group projects via wiki documents. Teachers can communicate with students through private blogs and forums and also post assignments on the classroom calendar.

One-time private classroom setup fee for 1-25 students: \$50

One-time private classroom setup fee for 26-50 students: \$100

Option #4 Customized

If none of the above options fits your needs, please contact me to work out a suitable arrangement.

* In a co-op setting, if an individual student wishes to continue Latin study with the BigBook after that year, he or she may purchase an upgrade to a lifetime, family membership for an additional \$30. This works well for families who have other siblings who will use the program.
